Headteacher: Mr Coert van Straaten

Curriculum map Autumn 2 2022 – Year 2

Subject Area	Content
Power of Reading	We will be looking at the books; Take One Book – Queen Elizabeth The Platinum Jubilee and The Queens Hat (week 1 & 2) Man on the Moon
English	<p>Spoken Language: To ask relevant questions to extend their understanding and knowledge. To communicate ideas in complete sentences. To give well-structured descriptions, explanations and narratives for different purposes.</p> <p>Reading: To apply phonetical knowledge to read aloud and understand the meaning of unfamiliar words. To identify words and phrases that link events in the story. The children will be applying inference and recall skills to answer comprehension questions before retelling the story.</p> <p>Writing: To be able to write simple information texts and to be able to retell/adapt the story with some dialogue.</p> <p>Spelling, vocabulary, grammar, and punctuation: To use subordination and co-ordination to link events, cause and effect. To use expanded noun phrases for description and specification. To use progressive form of verbs in the present and past tense. To use capital letters, full stops, question marks and exclamation marks to demarcate sentences.</p>
Maths	<p>As a school we are following the new Herts for Learning Maths scheme. This term we are focusing on:</p> <p>Week 8 and 9: Add and subtract numbers mentally using 1 and 2 digit numbers</p> <p>Week 10: finding part or whole unknown</p> <p>Week 11 and 12: Money – different combinations and finding change</p> <p>Comparisons – difference, more, less, fewer (weight)</p> <p>Measures – estimation and measure using different scales</p> <p>Week 13: Time – o clock, half past, word problems</p> <p>Week 14: Recap of Autumn Learning</p>

Science	<p>Working scientifically: Asking relevant questions and using different types of scientific enquiries to answer them. -Making systematic and careful observations and, where appropriate, taking accurate measurements using standard units, using a range of equipment. -Gathering, recording, classifying and presenting data in a variety of ways to help in answering questions. -Recording and reporting findings using simple scientific language, drawings, labelled diagrams, keys, bar charts, and tables.</p> <p>Science content: Materials -identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses -find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.</p>
ICT	<p>In ICT this term, our topic is Spreadsheets. The children will learn how to review prior use of spreadsheets, copy and paste information within the program, use spreadsheets to add amounts and then create their own graphs.</p>
Art and Design	<p>The children will receive an Art lesson each week from our specialist Art teacher, which will focus on different art element each week.</p>
History	<p>This term the children are focusing on The Great Fire of London. Children will focus on the timeline of events and focus their learning on diary entries from the time period in the style of Samuel Pepys.</p>
Music	<p>Children will embark on their Charanga journey our focus song is 'Ho, Ho, Ho'.</p>
PE	<p>This term the children will have the chance to take part in a PE Programme called 'Premier League Primary Stars' which is run by sports coaches at Watford FC. They will also participate in Ball Skills lessons. Pupils will develop their fundamental ball skills such as throwing and catching, rolling, hitting a target, dribbling with both hands and feet and kicking a ball. Pupils will have the opportunity to work independently, in pairs and small groups.</p>
Spanish	<p>The children will continue to develop their knowledge and understanding of Spanish through the Modern Foreign Language teacher. For example, they will learn about counting and colours.</p>
PSHE	<p>As a school our scheme for this term is Getting on and Falling Out. The children will receive a lesson every week around this theme, which will also be linked to our weekly Monday assemblies.</p>

RE	Sources of wisdom The children will learn to retell and suggest meanings to some sources of wisdom and stories of faith and belief, exploring and discussing sacred writings and sources of wisdom and recognising the traditions from which they come.
