Curriculum map Autumn 2 – Year 4

Subject Area	Content
Power of Reading	This term our book is called ‘Leon and the place between’.
English	<p>Spoken Language: To ask questions to clarify or develop understanding. To sequence, develop and communicate ideas in an organised and logical way, always using complete sentences. To show understanding of the main point and the details in discussion. Adapt what is being said to the needs of the listener or audience.</p> <p>Reading: This term children’s learning will be based around the text ‘Leon and the place between’ and ‘Tales told in tents’. They will be developing comprehension around the text through questions, drama and making predictions.</p> <p>Writing: To compose sentences using a range of sentence structures. To orally rehearse a sentence or a sequence of sentences. To write a range of fiction and non-fiction pieces. To improve my writing by changing grammar and vocabulary to improve consistency.</p> <p>Spelling, vocabulary, grammar, and punctuation: To use noun phrases which are expanded by adding modifying adjectives, nouns and preposition phrases. To consistently use fronted adverbials. To write in paragraphs. To use inverted commas and other punctuation to indicate direct speech.</p>
Maths	<p>This half term we will be covering:</p> <p>Measure- Conversion of Units (m to cm, g to kg etc) Measures – Compare, Estimate and Calculate Discrete and Continuous Data (Time Graphs), Including Application of Scales and Division (graph lines and axes and ensuring these are equally spaced) Perimeter and shapes</p>
Science	<p>Working scientifically:</p> <ul style="list-style-type: none"> -Asking relevant questions and using different types of scientific enquiries to answer them. -Making systematic and careful observations and, where appropriate, taking accurate measurements using standard units, using a range of equipment. -Gathering, recording, classifying and presenting data in a variety of ways to help in answering questions.

	<p>-Recording and reporting findings using simple scientific language, drawings, labelled diagrams, keys, bar charts, and tables.</p> <p>Science content: <u>Animals Including Humans.</u> Children will be learning about Human and Animal teeth and digestive system. They will be able to Describe the simple functions of the basic parts of the digestive system in humans. Also, they will be able to identify the different types of teeth in humans and their simple functions.</p>
ICT	<p>Online Safety: Children will understand how they can protect themselves from online identity theft. They will understand that information put online leaves a digital footprint and will look at creating rules to keep them and others safe online.</p>
History	<p>The Iron Age: Linking with previous learning about the Stone Age, the children will be learning about The Iron Age. They will be learning about The Celts and how they lived and what they believed in. Children will be comparing and contrasting the houses, tools, occupations of the Stone Age and the Iron age.</p>
Art and Design	<p>Children have separate lessons with an Art Teacher.</p> <p>Stone Age boulder truffles and Flintstones glass painting- Innovation and Enterprise.</p>
